Centra Homes announced the launch of its new residential community, Hunters Crest in Minnetrista.

MINNETRISTA, MINNESOTA, USA, February 18, 2015 /EINPresswire.com/ -- [Centra Homes](#) announced the launch of its new residential community, [Hunters Crest](#) in Minnetrista. Centra Homes has purchased the remaining 30 lots in Hunters Crest, which is a neighborhood with a total of some 300 homes. "One of the nice aspects of this project is that Hunters Crest is an established neighborhood where people know what they are getting and what the community looks like," says Centra Homes Founder and President [Dale Wills](#).

Hunters Crest is very much a family-oriented community, and Centra Homes is offering two-story homes that fit the needs of many of today's growing families. Home buyers have a choice of spacious designs that range from four to six bedrooms and have an option of a three- or four-stall garage. Homes start at 2,702 square feet and run as large as 4,247 square feet. "For people looking for a home in the Minnetrista, Waconia and Victoria area, we offer very nice homes at a tremendous value," says Wills.
