*Staffing firm Comrise, Inc. has been awarded the 2015 Best of Staffing Client award from Inavero for providing superior service to their clients.*

HAZLET, NJ, USA, February 20, 2015 /EINPresswire.com/ -- Comrise, Inc., a leading professional services staffing agency announced today they have won Inavero's Best of Staffing® Client Award for providing superior service to their clients. Presented in partnership with CareerBuilder, Inavero's Best of Staffing Client winners have proven to be industry leaders in service quality based completely on the ratings given to them by their clients. With satisfaction scores more than three times higher than the industry average, award winners make up less than two percent of all staffing agencies in the U.S. and Canada who earned the Best of Staffing Award for service excellence.

Focused on helping companies find the right people for their job openings, Comrise received a client Net Promoter® Score of 74 percent, significantly higher than the industry's average of 8 percent. The Net Promoter® methodology is utilized by Inavero and is based on satisfaction ratings provided by each staffing company's clients. Comrise averaged 9.3 out of 10 on all client satisfaction surveys in 2015.

According to a manager at Comrise client ABC Television Network, Inc., "Comrise has been able to find candidates for very specific skills and needs for our project...each consultant I have worked with I would definitely re-engage in similar company projects. Comrise and their people understand my IT needs perfectly and are able to deliver candidates that other companies are missing."

Another Comrise client at Sharp Laboratories of America said that Comrise provides "Efficient, accurate and excellent customer service."

"We are often viewed as an extension of our clients' organizations, and to us that is a great honor. We dig deep to understand the nuances of our clients' requirements and what they value to earn a spot as their true staffing partner. When they have problems, we are right there with them to help solve their challenging issues." Comrise's President, Sincia Liu said.

"With a tightening labor market and a need for growing companies to stay flexible, staffing agencies are placing more people into employment opportunities than at any other point in U.S. history," said Inavero's CEO, Eric Gregg. "More companies than ever before need a staffing agency with a proven commitment to service excellence. Bestofstaffing.com is the place to find winning agencies that place talent with the skills you need in your city or state.
