LONDON, UNITED KINGDOM, February 25, 2015 /EINPresswire.com/ -- Chic Ibiza Villas, the leading luxury specialist, has chosen its top four Ibiza villas for 2015, for guests seeking old-world charm, in-villa parties, a larger property or cutting-edge characteristics.

Chic Ibiza Villas is a privately-owned villa company, managing 40 hand-picked, luxury rental properties in Ibiza. Ranging from three- to twelve- bedroom, the villas are priced from 2,700 to 30,000 Euros to hire per week in 2015.

Co-Founder of Chic Ibiza Villas, Nick Reid states: "We have chosen these four residences, as they offer special qualities and are sure to give guests an amazing experience this summer on the White Isle.

"From villas with their own basement clubs, to 18th Century farmhouses, we are proud to offer the best selection of properties on-island, all exclusively. We don't expect these four villas to have available slots for very long."

Here are Chic Ibiza's Top Four Villas for 2015....

## 1. Best for old-world charm

Villa Sabina is set in the Ibizan countryside, in between the salt flats of Salinas and the Playa d'en Bossa beach.

A finca with picturesque farmhouse interiors and jaw-dropping views, the property inspires romance and old-world charm. It boasts rich Sabina-beamed ceilings, warm neutral colours, antique furniture,

dreamy four poster beds and rustic farmhouse vibes. Carefully chosen furniture mixes with wooden flooring and Spanish tiling. The house has been gracefully restored to preserve its older features too, such as an en-suite bathroom housed in a low dry stone tower attached to the house. Book as a group of twelve and sip sangria as you ponder the history of the white island.

## 2. Best for state-of-the-art touches

Casa Fiesta in Sa Caleta is an Ibicenco--style finca, with the sleek twist of an ultra-modern design inside. Sleeping twelve, Casa Fiesta's fabulous rustic exterior, fuses cleverly with its state-of-the-art lights, features and furniture. With high-spec, contemporary furniture, huge terraces and a decked outside area with lush valley views, the property is utterly secluded and perfect for parties. The daily housekeeper will keep everything tidy each day too, so guests can enjoy this villa's chic style.

## 3. Best for large groups

Baix Forada is a sprawling complex at the heart of Ibiza, in San Rafael. Sleeping up to 24, the villa is perfect for large groups - comprised of a main finca, a 700 year old farmhouse, plus extra bedrooms in an adjacent old stable-block. Set in its own botanical gardens, with island views and an enchanting pool, guests will adore its alcoves, archways and charming bespoke furniture, all beautifully worn. Styled with a fusion of rustic Spanish, Moorish and contemporary influences, Baix Forada enjoys a peaceful location and is the epitome of Balearic-chic living for larger groups.

## 4. Best for budding DJs

Villa Moonraker is a modern villa sleeping 11, which perfectly combines contemporary style, with a touch of luxury. From its roof terrace, guests can bask in 180% views of rolling hills and sister islets scattered out to sea, whilst lounging on a luxury day bed. Copycat Calvins and aspiring Axwell's will love this villa's piece de resistance however, as they take over the decks in Moonraker's very own private own basement club, with full sound system. And who wouldn't want to stay in a villa named after James Bond anyway?
