

New Book - Manor Bier - Was Censored

MANCHESTER, LANCASHIRE, UK, February 26, 2015
/EINPresswire.com/ -- This non-fiction book and earlier versions has been blacked out (censored) by the UK government for a number of years. We are now expecting this new book to be released, i.e. an end to the censorship.

It includes details on a UK government scandal (cover up) that took place in the 1980 area. It also details forgery committed by university staff in the course of their employment (confirmed by the police in 1987), murder, attempted murder, etc.

Media employees are entitled to a complimentary hardback, or epub, of the book. If you want us to despatch one to you email your name, company and address to us. You should receive the hardback in about eight days, in epub ebook form it can be emailed to you within a day or two.
