

CERTIFICATION OF TOP TEN BEST INDONESIAN RESTAURANTS

Bale Udang is proud to be one of the nominees

KUTA, BALI, INDONESIA, February 27, 2015 /EINPresswire.com/ -- By the end of 2014, Bale Udang was being certified by Bali Best Brand Awards and Bali International Customer Satisfaction Awards as one of the nominator for Top Ten Best Indonesian Restaurants. This award is a wonderful surprise.

I Gede Sudarmadiasa, the Operational Manager of Bale Udang Kuta stated that this certification is surprising because the valuation was being done stealthily. That is why the team of Bale Udang never knows what the criteria's are. However, we are sure that there is a lot of Bale Udang Kuta's uniqueness which may also be the positive points for valuation.

First is the location. Bale Udang Kuta is accessible because it is located in the middle of Kuta and Denpasar. Second, the concept of restaurant with Bale above ponds which off course in Bale Udang's main selling point. Third is the menu. Bale Udang is always consistent and foods that being served are authentic Indonesian cuisine. Bale

Udang never sell European or any other countries' trendy and happening-at-the-moment menus.

"We still thrive to improve and we are open with any suggestion and any critics for the goodness of Bale Udang in touch point of service," expressed I Gede Sudarmadiasa.

As the first authentic prawn and bale experience restaurant in Bali, Bale Udang surely not forget to identify them as Indonesian restaurant with Balinese experience. Surrounded by a vast fish pond with the sound of splashing water and accompanied by instrumental music, Bale Udang has managed to bring the feel of calm and soothing. By presenting a distinctive Indonesian cuisine, Bale Udang has managed to add a variety of dining options in Bali.
