Strategy Makes a Difference with Haypi Kingdom: The Return of the King 1.0.7

Haypi Kingdom: The Return of the King is a fun mobile game that puts players to into the roles of feudal lords in the dark and chaotic medieval times.

SHANGHAI, SHANGHAI, CHINA, February 28, 2015 /EINPresswire.com/ -- Haypi Co., Ltd is happy to announce the release of Haypi Kingdom: The Return of the King, version 1.0.7. This amazing war strategy MMO has proven itself extremely popular amongst players. Every update makes it better and better and a worthy brother game of Haypi's first hit Haypi Kingdom. Haypi Kingdom: The Return of the King is a fun mobile game that puts players to into the roles of feudal lords in the dark and chaotic medieval times. They get to develop cities, expand territories, recruit heroes and much more. The multi-player feature allows players from all over the world to team up with allies, as they besiege forts and conquer lands.
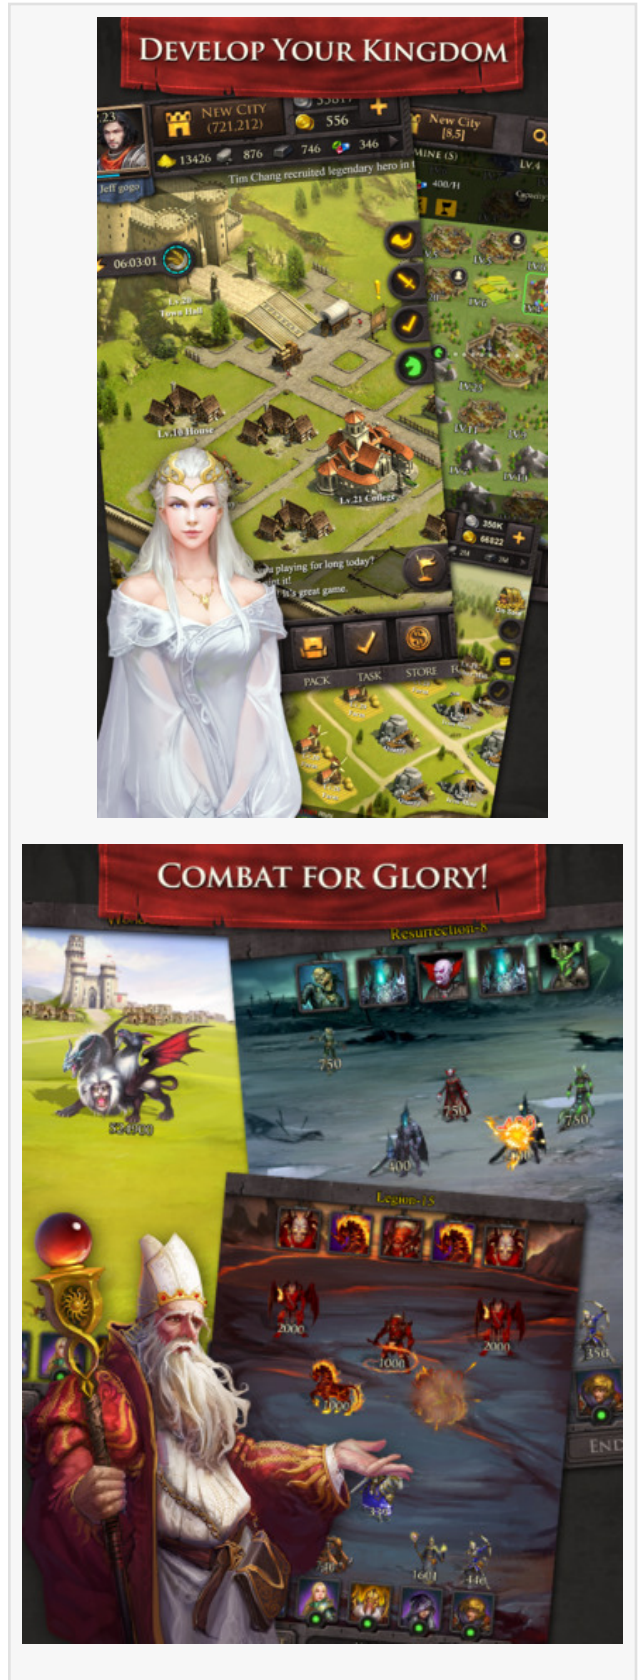

The new version of the game offers more fun strategies, when it comes to City Defense. Now the challenge is even more intriguing, because the strategic efforts of the lords do make a difference, now more than ever. Thanks to new Strategy option

implemented to Barracks Defense, from now on players can set up customized configurations against attacks and plunders from enemies (that is via the Attacked/Plundered tabs in the Barracks). Apart from that, other options have also been added to the defense configuration. Now players can assign troops to defend against "Ranged Troops" or "Melee Troops". Making use of a good defense strategy is difficult, but the wittiest pals can put it to good use. Another big improvement to the game is the feature of building new defensive facilities. Trap, Log and Spear have been introduced to the game, creating a new way for players to defend their outer cities. Last but not least, Equipment Upgrade and VIP level-up info have been added to scroller news.

Except for launching great updates, Haypi Co., Ltd. often organizes exciting activities for almost all major holidays. Since the developer is based in China, bountiful activities and events for the fans were announced in celebration of the Chinese New Year. They all bring amazing gifts to the players from all over the world.

Haypi Kingdom: The Return of the King is a Massive Multiplayer Online strategy war game, which is free for download from the AppStore. It is fun, challenging and gives a sense of achievement. All brave heroes are invited to this amazing world!
