

# EaseUS Photo Recovery Software Increases Photo Security

*EaseUS photo recovery software provides users three-step photo recovery solution to increase photo security.*

NEW YORK, NY, USA, March 3, 2015 /EINPresswire.com/ -- [EaseUS Software](#), a World's leading software company that specializes in data backup, data recovery and storage management software, offers users its professional [photo recovery software](#)-Data Recovery Wizard to increase photo security. This program is capable of retrieving lost pictures from storage media such as hard drive, USB drives, pen drives, memory cards in all data loss cases.

EaseUS photo recovery software provides users three-step photo recovery solution to increase photo security.

[EaseUS Data Recovery Wizard](#) is an online data recovery program built to recover lost data from multiple storage devices when unexpected data loss disaster strikes. It supports to rescue photos in various data loss scenarios, for example, lost pictures after accidental deletion, formatting, hard drive corruption, system crash, factory settings reset, virus attack, etc. The recovery process can be completed in three steps: scan the storage media, show the scanning results, recover the lost photos. EaseUS Software offers both Windows and Mac version. So it is can be used to rescue lost picture files either in Windows or on Mac.

EaseUS photo recovery software is a try-before-buy software. It has a free trial version that allows users to find and preview the lost photos it can recover. If people make sure that the program is available to provide them a satisfied data recovery result, they can upgrade to the paid-for version to get back their lost photos. "Photo loss is always a problem that we are difficult to avoid, so what we can do is to try our best to get back the lost pictures after they lost due to certain reasons. As a data recovery solution provider, our goal is to create powerful, easy-to-use and affordable photo recovery tool to help people rescue their pictures," said Benjamin Huang, the PM of EaseUS Software.
