

John Herman has been Selected as being in the Top 1% of all Agents on Trulia

Property Up is proud to announce that John Herman has been selected as being in the top 1% of all agents on Trulia.

ILLINOIS, USA, March 9, 2015 /EINPresswire.com/ -- Trulia, a leading online marketplace for home buyers, sellers, renters, and [real estate professionals](#), today released the Best of Trulia list, which recognizes the highest rated agents using Trulia.

We are excited to announce that John Herman was on this list of agents in the top 1% using Trulia.

Receiving this award is important because it is based on client reviews, ratings and 2014 transactions, using data collected from Trulia's "Find an Agent" directory. This prestigious honor includes agents from across the entire United States, and represents less than 1% of all of the agents with their profiles on Trulia.

"This is an honor to receive," said John Herman, "but the most important part is that it is based on customer satisfaction. That is what we strive for in every transaction, and to receive this award indicates we are hitting our goal with pleased customers."

Herman credits the team approach to his success. "It is teamwork, one independent agent can never provide as much quality service alone, that is why I built a team that now consists of three agents, and 5 assistants to help our clients."

Herman also said that he feels that, "Speed is the key element in today's market. I have a process in place to get my clients deals before anyone else can." Herman said that they answer calls and emails 7 days a week, 12 hours a day and has a team with a combined 50 years of experience providing real estate advice."

John Herman of [Property Up Team](#) will now be able to display the exclusive Best of Trulia recognition badge on his Trulia profile and an award certificate, which can also be embedded on their personal website.

The Best of Trulia website also allows consumers to find agents using an interactive map or searching within a given area. The list links to each agent's Trulia profile making it easy for consumers to find top agents, such as John Herman, based on experience and expertise.
