

Haypi Monster: The Lost Tower 1.8.1 Will Be Released Soon

Haypi Monster: The Lost Tower version 1.8.1 has been submitted for Apple's review, and will become available anytime soon

SHANGHAI, SHANGHAI, CHINA, March 10, 2015 /EINPresswire.com/ -- Haypi Co., Ltd is a creative and innovative developer, which was among the first to introduce alliance multi-player interaction for mobile games in 2008. The company has kept a major position in Pocketgamer's Top 30 Chinese developers since 2012. This year, updates of most of their newest hits have been launched, bringing to life more challenges and activities for the [fans](#).

Haypi is about to release a new patch of Haypi Monster: [The Lost Tower](#). That's Haypi's EDU game, which was a huge hit in Europe and North America last year, and currently has a huge base of active players. After this year's big update, version 1.8.1 has been submitted for Apple's review, and will become available anytime soon. This new patch will be much smoother and more mature. Except for the general optimizations, the new version will include updates to the chat feature, multi-language contents, and Team Mode. The size of the application will be compressed. Besides,

with the new update, there will be push notifications about new stuff in the Market. With this new update, the game will be even more enjoyable.

Haypi Monster: The Lost Tower is a cartoon style EDU game. In this fun game, the players can collect almost 200 different monsters and challenge the mysterious Lost Tower of the wonderland! Players can feed, breed and train the critters and make them into the team of their dreams! Lots of multi-player interaction makes the game an amusing challenge. The strongest Monster Team can go to PVP with others, while monsters can be gifted to friends. The critters are cute but powerful, and they can conquer evil bosses and tough levels, as well as participate in the numerous diverse activities.

Haypi Monster: The Lost Tower

Haypi Monster: The Lost Tower2

Haypi Monster: The Lost Tower is the most authentic and exciting monster game out there, with a well-balanced and well-designed fair battle system. There are hundreds of monsters to collect and various levels to conquer! Players can test their power in the fun challenges: Over a hundred levels lay across eight scenes in three modes, and every single one contains an intriguing design. This is a journey in a world where all kinds of monsters live: Cute, humble, dashing or even hilarious. The monster raising system provides great joy, and the monsters can be strengthened through a unique evolution system. The battles

create real excitement, allowing freedom for the players' wits to wisely use the monsters' skills and talents! In this smart game, the best will win: The gameplay is centralized into only one server in the whole wide world, so anyone can prove to be the best. Only the most experienced trainer can reach the top of the tower!

Haypi Monster: The Lost Tower is an amazing cartoon style EDU game. Players can use their heart and love to create the strongest monster team.

Apart from the good news about The Lost Tower, Haypi's fans are also happy about the upcoming update of Haypi Adventure: Kingdom of Glory - Haypi's war strategic game about the Age of Discovery. Meanwhile, the developer is also organizing many brainstorm workshops about future designs of Haypi Kingdom: The Return of the King – the brother version of Haypi's signature MMO Haypi Kingdom.

Haypi Monster: The Lost Tower is an enjoyable adventure suitable for people of all ages and walks of life. It's free for download and offers in-app purchases. The newest 1.8.1 version of the game will offer a nice smoother gameplay.
