

Senior military and industry experts gather in London to discuss the latest developments in airborne, land and naval ISR

SMI's 4th annual Intelligence, Surveillance and Reconnaissance (ISR) conference takes places on the 20th and 21st April 2015, London, UK

LONDON, UK, March 10, 2015 /EINPresswire.com/ -- Due to technological advancements, [ISR](#) and in general electronic warfare are becoming more and more important in military action. Whether this is warfare or humanitarian operations, Intelligence, Surveillance and Reconnaissance is playing and will continue to play a major role.

With this in mind, SMI's 4th annual ISR event will take place in London on the 20th and 21st April and will feature a line-up of military and industry speakers who will provide the ideal platform to discuss the latest developments in airborne, land and naval ISR.

The two day programme will examine international military updates on current and future ISR capabilities and discuss the development of NATO's Joint ISR and the issues it faces. Visit the [ISR website](#) for more information.

The interactive post-conference workshop will cover Tactical ISR by the workshop host: Dr Clayton Stewart, Visiting Professor from the Department of Electronic and Electrical Engineering, University College London.

The 2015 speaker line-up features:

Brigadier Simon Deakin OBE, Director Force Development, HM Forces

Lieutenant General Robert Otto, Deputy Chief of Staff for Intelligence, Surveillance and Reconnaissance, United States Air Force

Major Alexander Gray, SO2 Plans, Army Headquarters

Squadron Leader Rob Farrant, Sentinel Requirements Manager, Air ISTAR Project Team, Royal Air Force Waddington

Martin Robertson, Military Advisor, Royal Saudi Air Force

Major Jacob Bos, Airstaff, Defense Command Denmark

Captain Vincenzo Carulli, Italian MoD Teledife - 1st Dept. Chief, Italian MoD Directorate of National Armaments

Brigadier General Friedrich Teichmann, Director, Geospatial Department, Austrian Armed

Forces

Robert Murray, Head of ISR, Defence Investment Division, NATO Headquarters

Captain Halil Ibrahim Tokus, Student Officer, Turkish Air War College

Those active in this market and who could benefit from meeting likeminded experts from the ISR community are advised to secure their seat early as places are now limited to attend.
