NEW DELHI , INDIA, March 10, 2015  
/EINPresswire.com/ -- In India traditionally the best electronics were first launched in Japan then they trickled down to India maybe in a few month, sometimes even years. In the last few years Chinese products have been flooding the Indian market. However the average Indian is looking for quality which the average Chinese product doesn't really give. As a sort of game changer of sorts its now the Koreans that

are making their presence in India. Samsung maybe conquering the worldwide mobile phone market and it is companies like [GT Telecom](#) which are coming up with remarkable products that are high in quality, while maintaining buyer friendly low prices.

## Mobifren GBH – S700 Features

### Very High Quality Sound

If you are a music enthusiast, this Bluetooth headset is for you. Actually this is far more than just a Bluetooth headset. Mobifren GBH-S700 delivers absolutely stunning premium Hi-Fi sound that has rarely been heard with wireless headphones. The MSTS tuning technology in the headset gives high quality stereo.

It also has 5 equalizer effects which include a mode for those who like Sennheiser, Sony and Shure effects.

### CD Quality sound

Mobifren GBH-S700 also has apt-X codec inbuilt which means the sound quality is similar to CD quality sound.

### Inbuilt MP3 player

There is a micro SD slot to carry your music with you on the go without it eating in your precious mobile phone space.

### Voice Prompt

Allows you to operate the headset through voice commands.

### Caller ID TTS

If you press the headset button when there is a call, the mobile phone stops ringing and reads the

caller's ID.

#### Inbuilt Pedometer

The inbuilt pedometer guides walking steps, distance and calorie consumption to you as pedometer.

#### Find Phone

Helps you trace your mobile phone

#### Camera Remote Control

You can use it as a remote control for your camera

#### The Verdict

Mobifren GBH S700 is a piece of marvel from Korea. It's high quality, unlike the Chinese products, currently flooded in Indian market. Priced at under \$200 Mobifren GBH S700 is a definite recommendation. It could have easily cost between \$500 to \$700 range. Absolutely outstanding workmanship, quality and great pricing. Go for it!
