

# Servcorp Opens Second Office Center in Abu Dhabi at Etihad Towers

ABU DHABI, UAE, March 12, 2015 /EINPresswire.com/ -- On the 1st of March, His Highness Sheikh Suroor Bin Mohammed Al Nahyan through Emirates Consortium LLC in affiliation with [Servcorp](#), leading provider of Serviced offices, announced the opening of their business centre on the 36th floor of the [Etihad](#) Towers in Abu Dhabi. Servcorp is also located in Al Mamoura complex and has three prestigious locations in Dubai.

This complex of five sleek towers is a model of luxury and sophistication, covering half a million square metres and offering stunning view of the legendary Emirates Palace, the Abu Dhabi cornice and the Arabian Sea. Etihad Towers offers its visitors and residents a memorable and exclusive first-class atmosphere of style and comfort. Servcorp joins a list of prominent tenants in this tower like the UAE Federal Demographic Council, General Secretariat of the Cabinet Office, AIRBUS, Du Pont, the French, Norwegian and Fijian Embassies.

This iconic development comes at an ideal time, with heightened business opportunities in Abu Dhabi and a lack of availability of A-Grade offices. In fact, the most recent office market reports show that over 40% of Abu Dhabi's enquiries in 2014 were for offices sized 100m2 or less.

Laudy Lahdo, Servcorp Middle East General Manager commented, "The Abu Dhabi market continues to show steady growth and we've expanded our presence to meet the demand for our business solutions. Our offices are unique in the market, not only do they come fully furnished and equipped and can accommodate any business whether it's 1 person or more. You can walk in – plug your laptop and start working immediately without having to deal with the hassles of setup, capital investment or

commitment that is normally required while enjoying the infrastructure of a multinational corporation.”

Lahdo continued “Servcorp clients have a distinct competitive edge by having access to fully furnished offices at the most sought after addresses in Abu Dhabi and instant global access to 140 locations worldwide. From New York’s World Trade Centre to London’s One Mayfair Place, we aim to provide our customers with premium offices, professional support teams and technology solutions in the best business addresses to ensure their success.”
