

THE MOST EFFECTIVE WAY TO BOOST SALES OF YOUR PRODUCTS IN 2015

SEOUL, SOUTH KOREA, March 17, 2015 /EINPresswire.com/ -- Korea is one of the world's largest markets for IT, electronics, beauty, medical and healthcare industry that you never miss. When you are looking for local Korean partners who can distribute your products and services to Korea, or building your brand awareness to Korean consumers who place an order of your products at online marketplaces including your online shop, [COMWAGON](http://www.comwagon.com) may be the most effective place to implement your marketing strategy with its best-in-class press release distribution services in Korea.

COMWAGON (www.comwagon.com), a leading Korea-based PR firm has begun providing press release distribution and publication services for companies who expand their business into Korea. Unlike other typical PR firms, COMWAGON not only distributes press release but also guarantees publication of press release on the related influential media in Korea. That is the company's best value in the PR industry in Korea so that the company services can help your business plan and marketing program build brand awareness and generate leads by engaging prospective local Korean partners and consumers.

To use COMWAGON's services, you simply send the company a little bit in English about your products/services and company as following:

- A product or service description to show its features and strengths
- A brief company introduction
- Where to currently buy your products or services
- Your intention to look for local Korean partners who can distribute your products/services to Korea
- Point of contact including name, e-mail address, website, address and phone number

Or, you can just send the company your press release ready in English.

COMWAGON translates and writes your press release in Korean in a professional editing way to highlight your news value to solicit Korean media including IT, electronics, consumer, healthcare, medical, beauty, fashion, economy, finance, etc. Then the company reaches your targeted Korean media and journalists who have a great influence on the industry related to you.

And the company sends you a full publication report on the Korean media that covered you after your press release is published on the targeted media in Korea.

COMWAGON's service is provided at a relatively low price with a deferred payment within 3 days after your receipt of publication report.

COMWAGON will send you a publication report with an invoice for your payment via wire transfer once the company's works are complete.

Korea is one of the world's largest markets for consumer IT, electronics, beauty, medical and healthcare industry that you never miss.

If you expand your business into such tremendous Korean market, contact COMWAGON at www.comwagon.com or email the company at info@comwagon.com
