

Paper Cutz Support Woodland Trust Scheme with New Office Paper

Paper Cutz announces its range of environmentally-friendly, Carbon Capture office paper from Britain's top woodland conservation charity; The Woodland Trust.

MANCHESTER, MERSEYSIDE, UNITED KINGDOM, March 18, 2015 /EINPresswire.com/ -- [Paper Cutz](http://www.papercutz.co.uk) is delighted to announce its range of environmentally-friendly, Carbon Capture office paper from Britain's top woodland conservation charity; The Woodland Trust.

Every sheet sold supports an organisation committed to improving and protecting the UK's native woodland. The Woodland Trust safeguards 190 square kilometres of woodland in Britain and advocates the improvement of

biodiversity in the UK's woodlands, helping Britain's landscape to cope with climate change.

The smooth, matt Woodland Trust Office Paper is suitable for a multitude of uses, including computer printing, faxing and photocopying. Paper Cutz pride themselves on cutting the paper and card in-house for a wide selection of paper sizes. The Woodland Trust paper range is available in A3 - A6 at Paper Cutz.

We are very excited to welcome The Woodland Trust Office Paper to our range. Paper Cutz fully support the brand and their work. We are pleased that we can contribute to their environmental message.

Paper Cutz managing Director, Andrew Plant

Woodland Trust Office Paper is made using energy from waste materials, producing no CO2 emissions through the use of fossil fuels. Excess heat created during production is piped to a community-based heating project.

Paper Cutz managing Director, Andrew Plant, comments, "We are very excited to welcome The Woodland Trust Office Paper to our range. Paper Cutz fully support the brand and their work. We are pleased that we can contribute to the environmental message that they portray".

The paper is created using Carbon Capture and is available in a range of weights and sizes including 80GSM, 120GSM, 270GSM and 350GSM.
