

Flippers Pizzeria Caters to Spring Break Visitors

The Florida pizzeria is ready for hungry crowds of Spring Breakers.

ORLANDO, FL, USA, March 18, 2015 /EINPresswire.com/ -- Winter may be holding strong in the North, but Spring is definitely in the air in Central Florida. The warmer weather attracts visitors from around the world to the area's renowned parks, nearby beaches, convention centers, recreation facilities, and performance venues, including the brand new Dr. Phillips Center for the Performing Arts.

Routinely ranked as one of the area's best pizza places, Flippers Pizzeria is ready for the crowds—at all 14 locations.

After more than 28 years serving the perfect pizza made from fresh, honest ingredients, Flippers Pizzeria has had some practice on the Spring Break front, and this year, just like previous ones, the pizzeria, routinely ranked as one of the area's [best pizza places](#), is ready for the crowds—at all 14 locations.

"Spring Break visitors can dine in our comfortable restaurants at one of our large group tables, or choose our convenient carry out and delivery options," said Kelly Pfister, Marketing Director at Flippers Pizzeria. "But perhaps our best option for Spring Breakers is our catering menu—we'll deliver everything they need right to their hotel, so they can refuel and make the most of their time in the Sunshine State."

According to the pizzeria's website, assistance is available for visitors' catering menus. Customers can choose from an array of fresh brick oven pizzas, and pair them with platters of salads, club sandwiches, mac and cheese, wings, and more, all designed to serve four to six people each. Group, per-person menu options are also available.

"Customers can simply call their closest Flippers Pizzeria to learn more about our catering menu or visit our website for more information on how to place their orders," said Pfister.

Ben Richardson, VP of Operations at Flippers Pizzeria, encourages visitors to try one of the newest menu items from the new [pizzeria menu](#), including the Mexicana and Salsiccia Rustica specialty pizzas, which were both recently released earlier this year.

Spring Break is always a busy time in Central Florida. In fact, the region was recently ranked number one on the list of U.S. News and World Report's "2015 Standout Spring Break Hotspots." With the cold weather storms continuing to hit the northern part of the country this March, warm 70-degree temperatures in Central Florida are quite tempting to visitors, and Flippers Pizzeria is ready to welcome them with open arms—and plenty of piping hot pizza.

Springtime in Central Florida brings everyone outdoors, especially golfers, and the Arnold Palmer Invitational is one of the area's biggest outdoor draws. Flippers Pizzeria will once again be providing tournament volunteers with pizza this year—500 MyPies to be exact, as well as pizza for the youngest golfers at this year's Kids Clinic.

Since the very first restaurant was opened in 1987, Flippers Pizzeria's commitment to fresh, honest ingredients has never changed; neither has its commitment to friendly customer service and the very best restaurant experience possible. This commitment is recognized annually, as the Florida pizza restaurant is regularly ranked as one of the best pizza places in the state. Franchise opportunities are available to qualified investors. Always check online and in stores for the [best pizza deals](#) currently being offered at each location.
