

Better Management Systems Announces Annexo Self Storage Facility in Brazil

CORAL SPRINGS, FLORIDA, UNITED STATES, March 22, 2015

/EINPresswire.com/ -- Porto Alegre, Brazil – [Better Management Systems](#) and David Blum on behalf of Alexandre Logemann is excited to announce they are planning to open the first state of the art full service self-storage facility in Porto Alegre, Brazil in the 2nd quarter of 2015.

Mr. Logemann is a developer and investor living in Porto Alegre who is working with Better Management Systems to assist with the conversion of

a former nightclub into a first class state of the art self-storage project in Porto Alegre.

Mr. Blum has been working with first time investors and developers for the past 18 years and specifically Latin America for the past 10 years. He has overseen and been involved with projects in Panama City, Panama, Sao Paulo, Petrolina, Manaus, and Salvador, as well as Italy, Greece, Portugal, Ireland, and Israel.

"It has been both exciting and rewarding to be working on bringing first class American style self-storage projects to countries and markets new to our industry," said Mr. Blum in a statement "Taking what we know and love here and adapting to different cultures worldwide has allowed me to see the world and do what I love. Annexo will be the second self-storage project in Porto Alegre, but clearly a step above what is now available."

About Better Management Systems

Mr. Blum is a business graduate of Boston University and holds a Masters Degree in Marketing Management from Fordham University in New York. In 1998, Mr. Blum co-founded the South Florida Self-Storage Association, which, in 2001 became the Florida Self-Storage Association of which he was president until January 1, 2004, and again in 2009.

Along with an extensive client list in Florida, Mr. Blum is currently working on or completed projects in many other areas of the US and internationally.
