

T3 PRIVATE JETS ASIA AND SUPREME AVIATION JOIN FORCES TO BRING WORLD CLASS AVIATION SERVICE AND SUPPORT TO ASIA

Established in 2013, T3 Private Jets Asia Limited was established to become a leading business aviation support company in Asia

HONG KONG, HONG KONG, March 23, 2015 /EINPresswire.com/ -- Hong Kong – March 2015 – Mumbai based Supreme Aviation Inc., selects [T3 Private Jets Asia Limited](#) (T3) as its exclusive partner to

provide the growing Asian market a wide variety of state of the art aviation support equipment and services. Initially a flight school offering a fleet of over 600 aircraft, Supreme Aviation is expanding services to include aircraft maintenance, sales, charters, tours, special mission flights and airport enhancement equipment. “We were particularly impressed with the [Super AWOS](#) (Automated Weather Observing System) with Advanced Air Traffic Advisory System (AATAS). This innovative, cost effective and low maintenance equipment is exactly what the Asian market needs for safe operation in areas where ATC support is understaffed, unavailable or not economically feasible. Once our customers see what this system can do, we are convinced the Super AWOS will be considered a “must have” airfield enhancement throughout Asia” says [Mark Thibault](#), Managing Partner of T3. “We are delighted to introduce the T3 team as our conduit to the Asian aviation community. Their vast network, years of experience, and in-depth knowledge of one of the most diverse markets in the world will prove to be valuable tools for reaching out to clients in this region” says Ammeet Agarwal, President and CEO of Supreme Aviation.
