

Jordan's International Energy Summit and exhibition attracts national, regional and global interest

With a first-class programme led by Government and public and private sector leaders, JIES has consolidated its position as a leading world-class event.

AMMAN, JORDAN, March 23, 2015 /EINPresswire.com/ -- Held under the Patronage of HE Dr. Ibrahim Saif, Jordan's Minister of Energy and Mineral Resources; JIES is to be hosted by the Ministry of Energy and Mineral Resources as their official platform for meeting international companies and presentation of the multitude of energy projects presently ongoing or planned for the Kingdom.

The Jordan International Energy Summit (JIES) will take place on 19-20 May 2015 in the Grand Hyatt Amman Hotel and Conference Centre and the outstanding programme is expected to attract an audience in excess of 500 senior level executives interested in the myriad of opportunities under discussion at the Summit.

JIES will be opened by HE Dr Ibrahim Saif and the Ministry has also confirmed that all section heads and directorate will be actively engaged throughout the event and on hand to meet with domestic and international companies to ensure that JIES is a one-stop meeting place for all of Jordan's energy needs. In addition to the many one-to-one meetings with decision makers that will be ongoing throughout the event; companies have the opportunity to exhibit their products and services directly to this targeted audience.

JIES is built around a highly insightful programme which addresses all the key strategic issues facing Jordan's energy plans as well as providing updates on the ongoing and planned projects which will be of particular interest. [Confirmed speakers](#) are led by:

Dr. Ibrahim Saif, Minister, Ministry of Energy and Mineral Resources
Dr. Ghaleb M. S. Maabreh, Secretary General, Ministry of Energy and Mineral Resources
