

ProMosaik Publishes THE TRAGEDY OF PALESTINE AND ITS CHILDREN By William Hanna

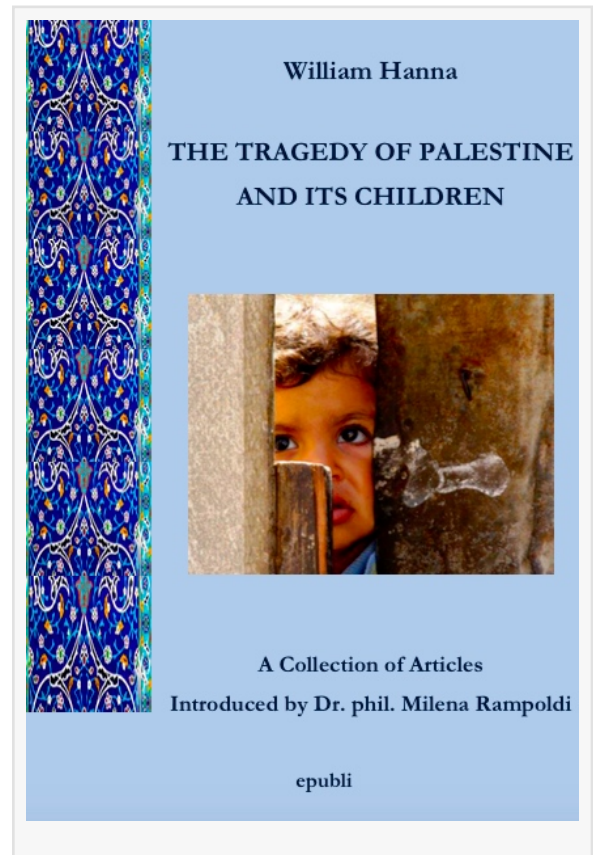

A collection of widely published articles that condemn the persecution and ethnic cleansing of the Palestinian people by the Zionist Apartheid state of Israel

LONDON, UNITED KINGDOM, March 25, 2015

/EINPresswire.com/ -- As an association for intercultural and interreligious dialogue, ProMosaik e.V. — following this summer's invasion of Gaza by Israel — began writing a lot about Gaza and the unjust occupation by an Israeli-Zionist state that imposes a system of Apartheid with excessive colonial inequality and abuse.

In all of our articles we have always stressed the important difference between Judaism as a monotheistic religion of life — our motto being from Mishna's —who saves one soul, saves the whole humanity — and the political Zionist ideology of conquest, militarism, and apartheid based on a racist and right-wing world view.

It was while doing so, that we met William Hanna, the author of the novel "Hiramic Brotherhood of the Third Temple." From that time on, William started to send us various articles which we have now decided to publish together as a means of introducing people to new insights regarding the dangers and concepts of political Zionism.

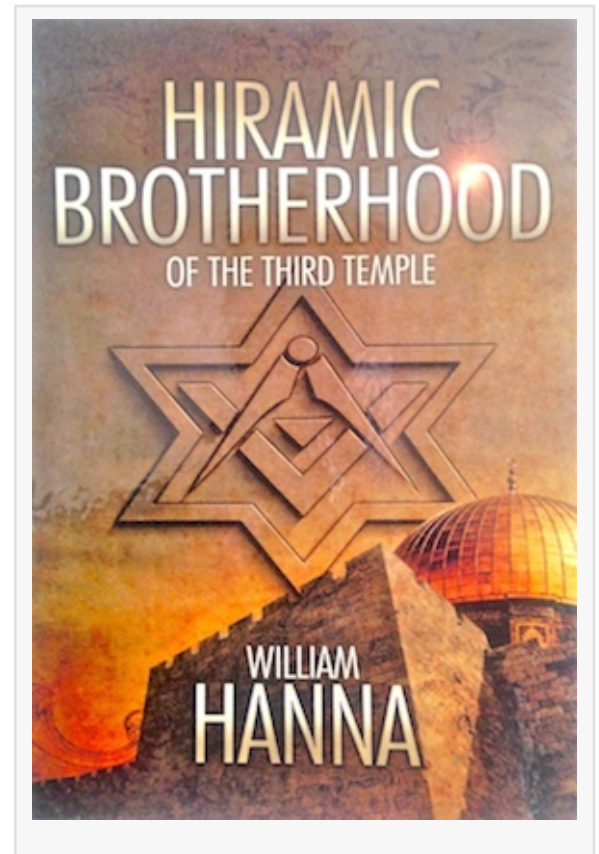

Published on over 250 internet sites, Author William Hanna's articles — like his recently published book the Hiramic Brotherhood of the Third Temple — unconditionally condemn the nearly seven decades of persecution and ethnic cleansing of the Palestinian people by the Zionist Apartheid state of Israel; condemn both the complicity of silent acceptance and/or the active support of such crimes by Western nations like the United States, Canada, and Australia; condemn the blackout of reports of Israeli atrocities by the mass media which serves the interests of the Anglo-Zionist Political Corporate Military Industrial Empire's voracious dependence on continual military conflicts; and condemn Israel's barbaric treatment of Palestinian children which is tolerated without shame by Western hypocrisy and double standards.
