

Penton Technology Names Corporate Technologies LLC to the MSPmentor 501 Global Edition

8th Annual Report Identifies World's Top 501 Managed Service Providers (MSPs)

MINNEAPOLIS, MN, US, April 1, 2015 /EINPresswire.com/ -- April 1, 2015: Corporate Technologies LLC has appeared on Penton Technology's eighth-annual [MSPmentor 501 Global Edition](#), a distinguished list and report identifying the world's top 501 managed service providers (MSPs). This year, Corporate Technologies ranked number 33 on the Global Edition list and number 28 on the list of top MSPs in North America. The complete 501 list is currently available on the MSPmentor. Additional lists include:

- The top ranked MSPs in North America
- The top MSPs in Europe, Middle East and Africa
- The top MSPs in Asia, Australia and New Zealand
- The top Small Business MSP list comprised of the top companies in our annual survey with 10 or fewer employees.

"With over 10,000 managed services providers in the United States, it is an honor to be named one of the top MSPs in the world," said Jim Griffith, CEO, Corporate Technologies. "Since the

ranking, nationally and globally, of the top MSPs began, Corporate Technologies has remained one of the largest and this is due to the commitment and teamwork of all our employees."

Each year, MSPmentor gathers information for its annual rankings through the participation of managed service providers and IT service providers in our annual survey. The survey was conducted from December 2014 through January 2015. Rankings are based Penton Technology's unique criteria for MSPs such as annual recurring revenues, total revenues and more.
