OVERLAND PARK, KS, USA, March 30, 2015 /EINPresswire.com/ -- [Global Connections, Inc. \(GCI\)](#) has rechristened its recent acquisition, Skier's Edge Lodge (Breckenridge, CO), to Lodge By The Blue. According to GCI's CEO and President, Tom Lyons, "This wonderful retreat in the Rocky Mountains is right on the Blue River and our new name reflects that."

The new Lodge By The Blue is strategically located 5.5 miles south of Breckenridge at the base of magnificent Mount Quandary, and within an hour of eight ski resort areas: Breckenridge, Keystone, A-Basin, Copper Mountain, Loveland, Ski Cooper, Vail and Beaver Creek. Guests at [Global Connections'](#) new Breckenridge property will enjoy newly renovated accommodations and common areas.

Global Connections has completely renovated the two story lobby including the addition of all new distressed wood flooring. The addition of antique-style gas lantern wall scones and a multi-tiered elk antler chandelier enhances the ski chalet atmosphere as does the authentic Navajo rug laid in front of the vintage open-faced stone fireplace with an Elk

trophy mount.

The lobby walls have been redecorated with teal and jute, and the après ski wine bar now sports granite counter tops. In addition, GCI has created a game and book lending library for guests as well as a convenience mart with sundries, snacks and outdoor supplies.

Guests can choose from a number of spacious room sizes from suites to one-two bedrooms, and studios. The resort features include a heated indoor swimming pool, 10-person hot tub, and fitness center. The gigantic stone fireplace in the center of the lobby is a popular place for relaxing after a strenuous day on the slopes.

GCI has launched [www.LodgeByTheBlue.com](http://www.LodgeByTheBlue.com) for further information. The user friendly site includes information on both the property as well as booking online.
