

Corporate Technologies LLC Named to 2015 List of CRN Tech Elite 250

Annual list recognizes IT solution providers with deep technical expertise and premier certifications

MINNEAPOLIS, MN, UNITED STATES, April 9, 2015 /EINPresswire.com/ -- Corporate Technologies LLC today announced it has been named to The Channel Company's CRN® Tech Elite 250. This annual list recognizes an elite group of IT solution providers that have invested in the training and education needed to earn the most advanced technical certifications from leading vendors.

In compiling the list, The Channel Company's research group and CRN editors collaborated to assess the most customer-beneficial technical certifications in the IT channel. These technical certifications—from vendors including Cisco, Citrix, Dell, EMC, HP, IBM, NetApp, Microsoft, VMware and Symantec, among others—have enabled solution providers to deliver an outstanding level of premium products, services and support to their North American customers.

**CORPORATE
TECHNOLOGIES**
LLC

Corporate Technologies has 300 employees, 200 of which are technicians, systems and network engineers that support customers in 6 markets. Engineers and sales staff are continuously training and earning new certifications from the industries' major technology manufacturers including: HP, Microsoft, Cisco, Citrix, CompTia, EMC, and VMware. As a result of our multi-vendor authorizations, Corporate Technologies has the expertise needed to meet the information technology requirements of its customers in a rapidly changing industry.

“

It's an honor to be named to CRN's Tech Elite 250 list. This achievement is a result of the

commitment from our employees to deliver the IT excellence and gained industry credibility by investing in the IT certifications necessary to deliver exceptional service to their customers and stay competitive,” said Robert Faletra, CEO, The Channel Company. These featured solution providers have enhanced and strengthened their partnerships by industry.

earning some of the most difficult certifications from some of the most prominent names in IT. We congratulate these organizations and look forward to their continued success.”

“We are honored to be named to CRN’s Tech Elite 250 list again this year,” said Jim Griffith, CEO of Corporate Technologies. “This achievement is the direct result of the commitment from our employees to deliver the information technology solutions our customers demand in a rapidly changing industry.”

Coverage of the Tech Elite 250 will be featured in the April issue of CRN, and online at www.CRN.com.
