

T3 Private Jets Asia and ARGUS International expand Aviation Safety network in Asia

AllPoints Jet achieves ARGUS Platinum Rating and ISBAO Stage 1 Certification

HONG KONG, HONG KONG, April 9, 2015 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE
AllPoints Jet Achieves Coveted [ARGUS](#) Platinum Rating and IS-BAO Stage 1 Certification

ARGUS International, Inc. (ARGUS) and [T3 Private Jets Asia](#) are pleased to recognize AllPoints Jet's accomplishment as a new Platinum Rated

Operator during a special presentation at the ABACE Convention. During AllPoints Jet's combination audit, they also

earned IS-BAO Stage 1 certification. The Platinum Rating is the highest ARGUS Operator Rating and is awarded only to

those air charter operators who have demonstrated successful implementation of industry best safety practices relative to

their operations and maintenance.

"Our achievement of the ARGUS Platinum Rating means that AllPoints Jet meets the world's highest level of safety

management within the business aviation industry," said Wenbin HU, Chairman of AllPoints Jet. "This is a great milestone

for Allpoints Jet's global development. Based on the achievements of 2014, we will go forward with the international

highest safety standard for business jet operation, in order to maintain steady and healthy development."

"I would like to congratulate and welcome AllPoints Jet to the elite and esteemed group of ARGUS Platinum Rated

Operators," said Joseph Moeggenberg, ARGUS International, Inc. President and CEO. "Recently, we've seen an increase

in the number of international Platinum audits, and we are pleased to celebrate AllPoints Jet's achievement at an

international aviation event, and particularly, in their home country. AllPoints Jet has built an incredible operation rooted in

safe operations and flights for their clientele." Mr. Moeggenberg and [Mark Thibault](#), Managing Partner of ARGUS's

strategic partner, T3 Aviation Solutions, will present AllPoints Jet with their Platinum plaque at booth #P712 on April 14th

at 14:00 CST.

"AllPoints Jet's Platinum Rating achievement should not be understated," said Mr. Thibault. "It is important that operators

understand the significance and value that the ARGUS Rating brings to their operation, both in the eyes of their

customers and their competition. We will continue supporting the ARGUS Ratings in the Asian market and are proud to

take part in AllPoints Jet's celebration at ABACE this week."

ARGUS PROS (Partners and Resources for Operational Safety), a wholly-owned subsidiary of

ARGUS International, is the only audit organization that has developed its own industry-leading audit standard for charter operators and also holds authorizations from two world-recognized standards organizations. ARGUS PROS is authorized by the International Air Transport Association (IATA) to perform the IATA Operational Safety Audit (IOSA) and is also authorized by the International Business Aviation Council (IBAC) to perform IS-BAO and IS-BAH audits. ARGUS PROS is uniquely capable of providing audits worldwide for fixed-wing and helicopter operators and each audit is tailored to reflect the specific needs of a corporate, charter, fractional or airline operation.

About AllPoints Jet

Founded in 2011, AllPoints Jet is a business aviation company based in Chengdu Shuangliu International Airport, China.

AllPoints Jet is a distinctive business jet operator that achieved CCAR-135, CCAR-145 and CCAR-91 certificates in

Western China and provides services including: aircraft charter, aircraft management, aircraft maintenance and airport

VIP ground services. AllPoints Jet operates and manages large business jets such as the Gulfstream 550&G450.

About ARGUS International Inc.

ARGUS International, Inc. (ARGUS) is a specialized aviation services company whose mission is to provide the
