

BizTalk Summit 2015, London

BizTalk summit 2015 is organised by BizTalk360. Bringing together Microsoft product group and Industry experts to share their knowledge with the community.

LONDON, UK, April 9, 2015 /EINPresswire.com/ -- Following the success of organizing and executing the Global BizTalk Summit (INTEGRATE 2014) held at Redmond, WA between December 3rd-5th, 2014, BizTalk360 is organizing the next event - [BizTalk Summit 2015](#), London on April 13th and 14th, 2015 at ExCeL London.

The main agenda of this event is focused towards Microsoft's announcements during INTEGRATE 2014 event (such as App Services, Logic Apps, API Apps, Azure Pack, Roadmap of BizTalk Server, and so on) and further announcement of "Azure App Service" by Scott Guthrie and Bill Staples on March 24, 2015. The recent announcements on the "Next Generation Integration Technology Landscape" has definitely created all the hype and anticipation among the integration community. This has made the BizTalk Summit 2015, London event a much awaited event to be looked upon by the community. The core team from Microsoft (responsible for bringing in this change to the integration landscape) will be speaking about these new features and answering the questions/feedback from the community over the course of the event. There will also be sessions from Microsoft Most Valuable Professionals (MVPs) focused towards integration technologies.

After the success of the BizTalk Summit 2014 event held last year, BizTalk360 & its team aim to make this event bigger & better. With 19 speakers, out of which 7 of them are from the product group, and over 15 sessions lined up for the two days, the response has been already overwhelming. Over 330+ registrations so far, from 100+ companies across 20+ countries will be attending the event.

Event Date - 13th & 14th April, 2015

Event Venue - ExCeL London (One Western Gateway, Royal Victoria Dock, London E16 1XL)
