MADRAS, TN, USA, April 12, 2015 /EINPresswire.com/ -- The co-authors of "[Amazing Selling Machine](http://www.AmazingSellingMachine.com)" (see review at <http://www.AmazingSellingMachineReviews.com>) say they're earning \$100,000 every month from sales on a major e-commerce platform, by following a system that leverages the trust, reach and extensive user base of one of the world's most successful online business entities.

Amazon's e-commerce initiative is designed to help independent sellers to tap into their infrastructure, software, payment processing and other resources to sell products to a global marketplace. The company profits from the small share in profits generated from this commercial activity, making it a win-win deal for both parties.

Entrepreneurs will find it especially interesting that there's rich potential in the upside exists that when exploring synergies with Amazon's ecommerce platform, and taking the right approach to establishing a Web store. In the 5th edition of their popular course which re-launches on April 13th, 2015, the two innovative business coaches are teaching the system they follow with great success, so that their students can duplicate these results profitably.

The new edition of "Amazing Selling Machine" has been completely revamped, and the teaching modules have been updated to keep up with recent changes. The course is designed to share a step-by-step process to creating a Web estore on the world's biggest retail e-commerce marketplace.
