

Flippers Pizzeria Welcomes Tourists

The Florida pizzeria prepares for the busy spring and summer months ahead.

ORLANDO, FL, USA, April 14, 2015 /EINPresswire.com/ -- The tech sector may be building steam throughout Central Florida, but it's the area's dominance in tourism that keeps the engine moving. In 2014 the state attracted 3.9 percent more visitors than it did in 2013, and according to Orlando Mayor Buddy Dyer, in 2015 Central Florida is expected to host more than 60 million visitors. Tourists hungry for the freshest pizza made from quality ingredients are in for a treat at Flippers Pizzeria, thanks to 14 convenient locations throughout the Central Florida region.

"Our staff is excited to serve the influx of tourists that the spring and summer months bring into our pizzerias," said Kelly Pfister, Marketing Director at Flippers Pizzeria. "If they can't make it into our restaurants, we can conveniently deliver to their hotel."

Since 1987, Flippers Pizzeria has provided guests with the ultimate dining experience—fresh, delicious food, paired with a great atmosphere and excellent customer service. Ben Richardson, VP of Operations at Flippers Pizzeria, confirms that promise: "Every guest that walks into our restaurant is treated like our very first guest was treated almost thirty years ago," said Richardson. "We ensure that the customer is comfortable and their expectations exceeded from the moment they arrive, through their first bite, and until they leave our tables."

Always one to experiment with new and unique flavor combinations, the Florida pizza restaurant has introduced new specialty pizzas to its already flavor-filled [pizzeria menu](#), like the new Mexicana and the new Salsiccia Rustica. "These new pizzas are great additions to our already well-rounded menu—I'm very excited for our customers to try them," said Richardson.

The spring and summer months are always a busy time for Flippers Pizzeria. The weather is spectacular and there are so many outdoor events and festivals, there's something for all tastes and interests happening in Central Florida. Flippers Pizzeria is often a part of these events, like the Arnold Palmer Invitational Presented by MasterCard, where the pizzeria routinely donates pizza to the hard-working tournament volunteers.

Tried and true attraction staples like Walt Disney World, Universal Studios, and SeaWorld remain the biggest and most popular draws for tourists visiting the Central Florida region, but this year will see the introduction of a whole new batch of venues on International Drive.

Opening soon, the new 400-foot tall Orlando Eye observation wheel on I-Drive is a sight to

behold. Right beside it, visitors will discover the 420-foot tall SkyFlyer swing ride, a new 570-foot-tall rollercoaster, the SEA LIFE Orlando Aquarium, and a Madame Tussauds wax museum. Of course, beaches on both the west and east coasts of Florida are also a main attraction.

Since the very first restaurant was opened in 1987, Flippers Pizzeria's commitment to fresh, honest ingredients has never changed; neither has its commitment to friendly customer service and the very best restaurant experience possible. This commitment is recognized annually, as the Florida pizza restaurant is regularly ranked as one of the [best pizza places](#) in the state. Franchise opportunities are available to qualified investors. Always check online and in stores for the [best pizza deals](#) currently being offered at each location.
