DEARBORN, MICH. --, UNITED STATES, April 16, 2015 /EINPresswire.com/ -- DEARBORN, Mich. – Mike Moore of Southeast Michigan is not just a sportswriter and broadcaster, turns out, he's also an author. Recently, Moore signed up with [Tate Publishing](#) to kick-start the publication process of his photography book, "[Love Defined.](#)"

Inspired by the most natural and the most beautiful profession in the world, motherhood, Moore got started on collating thoughts and ideas for "Love Defined" during the birth of his firstborn which started to take shape by the time his second son was born.

"Motherhood, by its very definition, is love, sacrifice and an unwavering commitment to another. From birth, to walking, to talking, a mother's love is an unparalleled force of devotion. In 'Love, Defined,' that devotion is brought to life. That sacrifice is portrayed — not as a task — but a calling, an honor for those brave enough to accept the challenge," shares Mike in an interview.
