

Freeze Drying Industry gathers next week at Lyophilisation & Freeze Drying USA

SMI's Lyophilisation & Freeze Drying USA conference takes place in just 1 week on the 29th - 30th April 2015 in Iselin, New Jersey, USA

NEW JERSEY, ISELIN, USA, April 21, 2015 /EINPresswire.com/ -- With an audience of industry professionals involved in formulation sciences, particle technology and pharmaceutical processing, [Lyophilisation USA](#) will explore the latest cutting edge advances in lyophilisation and freeze drying technology. The agenda will spotlight on key principles such as QbD and PAT, as well as feature case study driven presentations from a line-up of pharmaceutical freeze drying experts including Merck, Bristol-Myers Squibb, Genzyme and Millrock Technology.

A promotional poster for the 'Lyophilisation & Freeze Drying USA' conference. The poster features a central image of a blue vial being held by a gloved hand, with a plume of white vapor rising from it. The SMI logo is in the top right corner. The text on the poster includes the event title, location (Renaissance Woodbridge Hotel, Iselin, New Jersey, USA), dates (29 - 30 APRIL 2015), and the website (www.lyophilisation-usa.com).
