

MVNO Industry Award 2015 goes again to I-New.

After having been named “Best Solution Provider” already in 2014, I-New again confirmed as “Best Solution Vendor” at the Global MVNO Industry Awards 2015.

MATTERSBURG, AUSTRIA, April 24, 2015 /EINPresswire.com/ -- Now in its 14th year, the MVNOs World Congress is the only established event in the market that is entirely dedicated to MVNOs. Gathering over 80 visionary speakers and 500+ attendees, the MVNOs World Congress is the biggest dedicated industry event. Primary destination to find out all about the new global market trends and to meet the key players to do MVNO business.

The highlight of the Congress is the announcement of the annual winners of the Global MVNO Industry Awards. The 2015 showdown at the Nice Acropolis in France announcing the MVNO Industry Award 2015 winners took place on April 22nd in Nice, France and was again to the advantage of I-New. After having named as “Best Solution Provider” at the 2014 Industry Awards, I-New again has been awarded best in the most influential category “Best Solution Vendor”. This category award is granted to those companies that are capable of

demonstrating significant impact in facilitating the development of the global MVNO market. This, by successfully working with both, MNOs and MVNOs in order to support highly competitive MVNO services.

I-New’s awarded [The MVNO Collection](#) is the preferred choice by most demanding and industry leading clients around the globe and the match winner when it comes to the consolidation of outdated incumbents, legacy networks and MVNO green- and brownfields. The MVNO Collection follows the target to empower brands, retailers and revolutionary communication service providers over communications channels. Following the everyday purpose to lead pace in providing the best MVNO solution with a maximum of smart convenience serving a mobile world, where the demands, needs

Global MVNO Industry Winner 2014 & 2015

The MVNO Collection

Award winning cloud based module system of MVNO enabling products and services.

I-New named Best MVNO Solution 2014 & 2015.

and expectations for trust and simplicity are far beyond the massive rise of technological complexity. Short: MVNO has never been that easy. I-New's The MVNO Collection convinced the jury of renowned MVNO industry experts as a comprehensive and cloud based module-system of highly convenient products and services empowering the creation of fascinating mobile business offerings most convenient. This, from the first idea to the successful operation providing compelling value propositions, which turned out again as "Best in Class": Trusted security for turnkey mobile business planning, versatile flexibility in creating unique mobile offerings, independent control in securing business investments and outstanding assurance in securing business services and customer satisfaction. In other words: The best MVNO Solution – confirmed as such the second year in a row. Thanks Nice, thanks to the great jury and most important, thanks to our customers who challenge us daily to reach for the better.
