

SES Government and Ministry of Defence Japan Join Speaker Panel at MilSatCom Asia Pacific Conference

SMi's 5th annual MilSatCom Asia-Pacific conference will be taking place on the 13th - 14th May 2015 at the Grand Copthorne Waterfront Hotel in Singapore.

SINGAPORE, SINGAPORE, SINGAPORE, April 27, 2015 /EINPresswire.com/ -- SMi are delighted to announce that Nicole Robinson, Corporate Vice President of SES Government has joined this year's [MilSatCom Asia Pacific conference](#). Nicola will join the esteemed panel of speakers and will present on: Commercial SATCOM - Critical Communications Infrastructure in the Asia Pacific: Opportunities and Risks. Her presentation will focus on:

- Commercial SATCOM is critical communications infrastructure for civilian and defense agencies around the world
- International collaboration toward access to future space capabilities
- Insufficient capability in the Asia Pacific arch as compared to other regions in the world – opportunities and risks associated with “business as usual”
- What can be done? How can we best leverage commercial SATCOM providers in the future to meet our defense, security and institutional needs

Komei Isozaki, Director, Space Policy Office from the Ministry of Defence, Japan has also joined the [conference](#) agenda and will provide the opening keynote address on day one, presenting on Japanese Space Policy.
