Motor vehicles pose a risk to everyone on Florida's roads and highways, but collisions involving motorcycles can be especially risky and motorcyclists are much more likely to suffer severe and catastrophic injuries following a crash.

If you or a loved one has been involved in a motorcycle accident, it is imperative that you seek the legal counsel of a Florida Motorcycle Accident Lawyer who handles these types of cases regularly.

With over 40 years of experience, my case results have earned me a place in the Multi-Million Dollar Advocates Forum. I have also been AV rated by Martindale and Hubbell. You can view prior verdicts and settlements I have obtained on behalf of my motorcycle clients in the past on my website:

I am familiar with Florida laws governing motorcycles—which differ significantly from those pertaining to car accidents—and have extensive experience dealing with insurance companies. I have access to the top experts, including accident reconstructionists and medical experts. By working with these individuals, I have established a successful track record of results in recovering compensation for injured motorcyclists.

If your accident was caused by the negligent, careless or reckless actions of another driver, you may be entitled to compensation to help ease the financial burdens associated with the accident, including, past and future hospital and medical bills, physical therapy costs, lost wages, past and future economic loss, mental anguish and pain and suffering. If you or a loved one has been injured in a motorcycle accident, it is important to understand your rights, and to speak to an attorney regarding your options for pursuing compensation for your losses.

Contact our office 24/7 by calling 941-953-6010 or 941-330-2000 after hours to schedule a free consultation to discuss your case. To further reduce your stress during your legal proceedings, we provide representation solely on a contingent fee basis, meaning that you are responsible for no legal fees unless we help you recover compensation for your losses.

We offer motorcycle accident lawyer services in the Sarasota, Manatee, Hillsborough, Port Charlotte, and Lee County, Florida areas.
