

# 40 Sizes Added to GT Radial SUV and Light Truck Tire Lines

*SUV and Light Truck Owners Now Have 40 More Size Options in the Popular GT Radial Adventuro AT3 and Savero HT2 Tires*

RANCHO CUCAMONGA, CA, USA, May 4, 2015 /EINPresswire.com/ -- Giti Tire (USA) Ltd. is adding a total of 40 P-metric and LT sizes for 16- to 20-inch rims to its popular [GT Radial Adventuro AT3](#) and [Savero HT2](#) product lines for SUV and light truck owners in North America.

The GT Radial Adventuro AT3 is designed for light truck/SUV owners who desire a comfortable on-road ride with off-road capabilities in mud, sand and snow. Backed by a 50,000-mile limited tread wear warranty (for P-metric sizes only), the Adventuro AT3 features advanced technology including optimized contour and construction, which helps absorb impact shock and vibration from the road. This is the result of the company's finite element analysis simulation process. The tread pattern is also designed to interrupt sound resonance, which reduces pattern noise.

"The Adventuro AT3 has been a big seller for our dealers because it provides a great solution for pick-up and SUV owners who require excellent on- and off-road traction but don't want to sacrifice ride comfort when they are on paved surfaces," said David Shelton, director of marketing for Giti Tire (USA) Ltd. "We're thrilled to be bringing 22 additional sizes of this popular tire to the North American market."

The 22 new Adventuro AT3 sizes are: P235/70R16, P265/70R16, P225/75/R16, P245/75R16, P245/65R17, P255/65R17, P265/65R17, P235/70R17, P245/70R17, P265/70R17, P285/70R17, P235/75R17, P265/60R18, P265/65R18, P255/70R18, P265/70R18, P275/55R20, LT285/75R16, LT285/70R17, LT235/80R17, LT275/65R18 and LT285/65R18.

Backed by a 40,000-mile limited tread wear warranty, the GT Radial Savero HT2 is a premium highway all season tire for SUVs and light trucks, providing excellent handling and control in wet and dry conditions.

"The Savero HT2 provides excellent value and on highway performance for those everyday adventures such as taking the kids to school and soccer practice," Shelton said. "It has become one of the most popular tires in the GT Radial line-up."

The 18 new Savero HT2 sizes are: P225/75R16, 225/65R17, P255/70R17, P235/75R17, 255/55R18, 235/60R18, P265/65R18, P275/65R18, P265/70R18, P245/55R19, P255/55R20, P275/55R20, LT285/75R16, LT215/85R16, LT245/75R17, LT235/80R17, LT275/65R18 and LT275/70R18.

## About Giti Tire

Giti Tire Group, headquartered in Singapore, has been in the tire business since 1951.
