

Grainger Appoints IndustryFriend as Australian Distributor

IndustryFriend is the new Australian based distributor for Grainger products

SYDNEY, NEW SOUTH WALES, AUSTRALIA, May 7, 2015 /EINPresswire.com/ -- [Grainger](#) (NYSE:GWW), the leading broad line supplier of maintenance, repair and operating (MRO) products serving businesses and institutions, announced [IndustryFriend](#) as its new Australian distributor. IndustryFriend, a subsidiary of [LabFriend](#) Pty Ltd.

“This exciting new relationship provides Australian customers local access and support to the entire Grainger range of over 1 million maintenance, repair and

operations products. These products are now available to order online from IndustryFriend,” said Karl Wyzenbeek, Managing Director of IndustryFriend.

IndustryFriend offers Australian customers the ability to purchase from over 4,300 globally recognised brands that make up the Grainger product range. Product categories include HVAC and refrigeration, material handling, safety, cleaning, pneumatics, motors, hand tools, electrical and more.

Karl Wyzenbeek, Managing Director IndustryFriend

“The benefits to Australian customers extend beyond the availability of having such a large product range to buy from online. Customers purchasing from IndustryFriend can save time generating formal quotations online and manage their invoices online. We also offer flexible payment options and the ability to chat online to our Sydney based customer service team whilst you browse for products”
