

Combined Resources, Inc. Recycling Services Of Chicago Sponsors City Of Hope Golf Outing

Combined Resources, Inc. is a sponsor and participant in the City of Hope Golf Outing on June 3. The company provides recycling and document shredding in Chicago

ADDISON, IL, USA, May 11, 2015 /EINPresswire.com/ -- [Combined Resources, Inc.](#) is a 2015 sponsor of the City of Hope's Annual Greater Chicago Packaging Council Golf Outing. The recycling company in Chicago has a team of golfers registered for the event and team member Wayne Arendt sits on the event committee.

City of Hope is a comprehensive cancer care center, as designated by the National Cancer Institute. The organization provides patient-centered care as well as research and clinical education in cancer, diabetes, and other serious illnesses. The Annual Greater Chicago Packaging Council Golf Outing is a fundraiser that has raised over \$50,000 for City of Hope over the past 25 years.

This year's outing is in honor of Ed Meyers of The Royal Group and Rick Van Horne of Corrugated Supplies. Both men are founders of the golf outing and will be presented with the City of Hope's Spirit of Life Award. The Award is presented to individuals who epitomize the ideals and values that guide the City of Hope. The day starts with a buffet lunch followed by caddied golf, a cocktail reception and dinner. The 2015 City of Hope Greater Chicago Packaging Council Golf Outing takes place on Monday, June 3 at Edgewood Valley Country Club in LaGrange, IL.

"This is a special golf outing for our company since it is related directly to the packaging industry and honors some of our local colleagues. City of Hope does amazing work and their support for patients in their care is second to none. We jumped at the chance to sponsor this event and are looking forward to a relaxing day out on the course," said Tom Campeggio, Controller at Combined Resources, Inc. (www.combinedresources.us).

Combined Resources, Inc. provides [recycling services to Chicago](#) businesses along with [document shredding](#). Chicago companies can create a customized recycling plan with help from Combined Resources, Inc. The company offers recycling services, strategies, and solutions that reduce businesses' carbon footprints while also helping to maximize profit margins.

"We help businesses streamline their operations through customized waste management strategies. It's this customization that helps maximize profit margins because every solution is distinct to the client. What works for one business, may not work for another. Instead of forcing companies to work within a pre-determined framework, we build the framework around their waste generation and disposal needs," explained Campeggio.

Combined Resources, Inc. provides plastics, metal, and paper recycling in Chicago and the surrounding suburbs along with document shredding and e-waste management. To learn more about Combined Resources, Inc. visit them at www.combinedresources.us.

About Combined Resources, Inc.: Combined Resources Inc. helps businesses minimize their waste output and maximize their profit margins.
