Vasquez Studio Gallery is proud to host a monthly open house at its studio gallery in the city of Glendora. The last Saturday of every month, Vasquez Studio Gallery will open its doors to show Vasquez's new work and future projects. The gallery will offer beer, wine and appetizers to all the visitors. Everyone will get a chance to meet Vasquez and the VSG Team and hang out with art fanatics from all ages. Raffles and live music will be featured at different events.

Born in January of 1963, Vasquez is a local artist specializing in oil and acrylic on canvas and charcoal paintings. His portraits and landmarks show the talent of the Texas native in a higher level. Having fans from tender ages to established artists and appraisers, everyone enjoys his work and humility. Vasquez Studio Gallery strives to provide the local community with a taste of fine art. We would like not only our city but surrounding cities in the LA, OC and Inland Empire area to recognize hard work and to prove to aspiring artists that following your dreams and working hard will pay off. Come become a part of the VSG family and see Vasquez at work.
