MOBILE, AL, USA, May 12, 2015 /EINPresswire.com/ -- Briskman & Binion, P.C. is pleased to announce a successful jury verdict of \$18.79 million for one of their clients. After a two-week trial in the Mobile County Circuit Court, the jury returned the verdict in favor of Colin Lacy, awarding the compensation for medical expenses, past and future lost wages, and punitive damages from a 2011 truck accident.

Mr. Lacy was traveling on Interstate 10 near Niceville, FL in the Florida Panhandle when the truck he was driving for his employer became unstable, causing the truck to lose control. His spine was severed, and as a result, he was paralyzed from the waist down. Mr. Lacy spent more than two months in the hospital and faced intense rehabilitation, and he is confined to a wheelchair for the rest of his life.

Before the accident, Mr. Lacy had complained about a vibration in the truck's suspension, and Empire Truck Sales, LLC had serviced the vehicle shortly before the accident. Suit was filed in Mobile County Circuit Court against Empire along with the manufacturer of the cab and the seat belt manufacturer. The jury ruled in Mr. Lacy's favor and against Empire and awarded \$18.79 million in damages.

Charlie Potts from Briskman & Binion, P.C. and the Beasley Allen firm in Montgomery, AL, presented Mr. Lacy's case to the jury, alleging that the accident was the result of negligence by Empire.

"We're satisfied with the outcome of the case and happy for Colin that he can now move forward with his life," said Charlie Potts, an attorney for Mr. Lacy. "We feel the jury rightfully sided with our client. He has suffered enough since the accident, but now he can put the trial behind him and move on to better things."
