

Future Armoured Vehicles 2015: military briefings from Czech Republic, Poland, Slovakia, Lithuania, Slovenia, Austria...

SMi's Future Armoured Vehicles Eastern Europe Conference will be taking place on the 22nd-23rd of June 2015 in Prague, Czech Republic.

PRAGUE, CZECH REPUBLIC, May 14, 2015 /EINPresswire.com/ -- SMI Group announces (2015/05/14) new speakers for their Future Armoured Vehicles Eastern Europe [Conference](#) - LTC Jiri Hrazdil, Commander of the 73rd Tank Battalion, Czech Army, and Lieutenant Colonel (Rtd) Jyrki Kujansuu, Head of Marketing & Sales EE/LV/LT Market Area Nordic & Baltic, Saab Technologies.

Future Armoured Vehicles Eastern Europe Forum will be taking place in Prague, Czech Republic, on the 22nd-23rd of June 2015. This Eastern Europe's most focused and Senior Armoured Vehicles Conference is designed to unite armoured vehicle procurement and technology experts with one goal, to enhance existing and future land forces capability through the effective deployment of military vehicles.

Official website: www.futurearmouredvehicles.com/EIN

7 Flag Officers confirmed to speak at Future Armoured Vehicles Eastern Europe 2015, making this the most senior armoured vehicles meeting in the region.

"The speakers are carefully chosen representatives of participating countries and it is pleasure to be a member of such a distinguished group." - Brigadier General František Micánek, Director, Centre for Security and Military Strategic Studies, University of Defense, Czech Republic

Event attendees will hear the latest updates on APC Modernisation For The Czech Land Forces (Speaker: Brigadier General Ladislav Jung, Land Forces Deputy Commander, Czech Armed Forces , Czech Armed Forces), Slovak Republics Current Armoured Vehicle Capability and Future Needs

(Speaker: Colonel Robert Tibensky, Director General National Armaments, Slovak MoD), Lithuanian Armoured Forces Priorities (Speaker: Lieutenant Colonel Mindaugas Steponavicius, Director of Capability Planning Department, Ministry of National Defence Republic of Lithuania); Austria's Approach to Active Protection Systems (Speaker: Brigadier General Norbert Huber, Director Armament and Procurement, Austrian MoD), An Update on the Slovenian 8x8 Armoured Vehicle Procurement (Speaker: Miha Matek, Head of Armaments Project Management Division, Slovenian Ministry of Defence), An Update on Poland's Armoured Vehicle Modernisation Programme (Speaker: Brigadier General Slawomir Wojciechowski, Director of Strategy and Defence Planning, Polish Armed Forces, Polish MoD). Plus, event programme also includes presentations from high ranking military representatives from (UK), Defence and Security Association of the Czech Republic and many others.

Post conference [masterclass](#) - How to do business with the Czech Armed Forces, hosted by Lieutenant Colonel Richard Macha, Industrial Cooperation Division, Czech MoD, will be taking place on the 23rd of June 2016. This unique and informative masterclass will allow its attendees to understand the procurement process within the MoD from 'contract to contract to contract.' Topics covered will include: Understanding how the Czech MoD issue RFI's, Tenders and down selects, which are the right departments to approach and how best to do this, when you need to partner with local industry to make your opportunity more effective, how to work effectively with Czech companies and current and predicted Future Armoured Vehicles Requirements and types of equipment likely to be considered/selected.

The official event partner for [Future Armoured Vehicles 2015](#) is the Defence and Security Industry Association of the Czech Republic (DSIA). Sponsors: Saab Technologies, Lockheed Martin, Denchi Power, Honeywell, Kent Modular Electronics, Schroth Safety Products.
