DENVER, COLORADO, USA, May 14, 2015

/EINPresswire.com/ -- Some of Hollywood's most talked about celebrity moms and moms-to-be have received a custom-made, handcrafted MMC Baby! Feeding Gift Set ([www.MamaMahoneyCreations.artfire.com](http://www.MamaMahoneyCreations.artfire.com)) as part of an exclusive Mother's Day Swag bag prepared by The Artisan Group®. The swag bag, filled to the brim with handcrafted goods from carefully selected makers from the U.S. and Canada, was delivered to Emily Deschanel, Amanda Peet, Alicia Keys, Bethany Hamilton, Jessica Pare, Zoe Saldana, Carrie Underwood, Kelly Rowland and Rachel Leigh Cook, among others.

The [feeding sets](#) include a bib, burp cloth and Binkie leash. The bib and burp cloth are created using high quality, baby-friendly flannel with an extra layer of absorbent material in the middle. The Binkie leash matches the bib and has a removable clip to allow it to be washed with all of the other items in the set.

Janice Mahoney, founder of and designer/creator at MMC Baby! says, "I chose fabrics for each celebrity baby based on their gender and the interests of the mom. For instance, for Bethany Hamilton's baby boy, I chose a surf board themed fabric. This type of customization is an extension of what I do every day for my customers; which is, create items specifically to their wishes."

The Feeding Gift Sets are an MMC Baby! best-seller. They are a great choice for baby showers; new moms appreciate that the fabrics used are super-absorbent and soft against baby's skin, and that the entire set can be thrown in the washer/dryer for easy clean up. Says Janice with a laugh, "No more icky leashes!" Each Feeding Set is handcrafted to order, with many color and

pattern options to choose from, so gift givers know their choice is unique and never mass-produced.

MMC Baby! Feeding Gift Sets are available to purchase at [MamaMahoneyCreations.artfire.com](http://MamaMahoneyCreations.artfire.com) and [CountryOutfitter.com](http://CountryOutfitter.com), starting at \$34.00.

MMC Baby! is a new arm of Mama Mahoney Creations, the [quilted bag](#) line established in 2008. Mahoney says that for MMC Baby!, she took her love of color and high quality fabrics and directed it to the little ones. "Our bags are already a favorite of moms for their versatility, easy care and fun and trendy fabrics. Along with the burp cloths, bibs and Binkie leashes, I am offering car seat canopies and hand crochet baby blankets in the softest yarns available."
