

Haypi Monster: The Lost Tower 1.8.2 is Monstrously Awesome

Haypi's exciting EDU game Haypi Monster: The Lost Tower version 1.8.2 Bring the Thrill with new contents, optimizations and tons of fun

SHANGHAI, SHANGHAI, CHINA, May 19, 2015 /EINPresswire.com/ -- [Haypi Co., Ltd.](#) has brought to life some really amazing games and their awesome updates. Just now, Haypi's exciting EDU game Haypi Monster: [The Lost Tower](#) has been updated to the new patch version 1.8.2. New contents, optimizations and tons of fun await the [players](#) from all over the world.

With the newly added content, Haypi Monster: The Lost Tower 1.8.2 is more thrilling than ever. This Monster Collecting Game includes a lot of multiplayer interaction, and in addition to it, a new PVP option has been introduced. Freestyle PVP now allows the players to create PVP rooms and invite other to participate in the battles. The room creators can enjoy a new perk: to watch as other players combat. In the new update of The Lost Tower, newcomers receive better guidance through their first week of leveling up. The newbie activity Level Rush is ensured for all beginners. They can't miss it because now there is a reminder

about it on the Home Screen, under the treasure box icon Hot Events. Thus newcomers can have a great jump start from the beginning! In addition, this treasure box on the Home Screen also helps the rest of the players through reminders for the time-limited activities. What is more, there are caves available in certain veteran modes. All this new exciting content is available now thanks to the new 1.8.2 update_

After effective modifications, Haypi Monster: The Lost Tower 1.8.2 now offers more balanced and harmonious gameplay. Future activities could come in different variants, now that "Crack the Eggs" feature also supports item drops. The fairness of the game has been further improved, as Monsters'

level cap is subject to the player level. There is some good news for players over level 20. They can further enhance their powerful S grade monsters, as soon as the critters are already upgraded to level Bronze+.

Haypi Monster: The Lost Tower 1.8.2 offers an even better Team Mode, in which Challenges are now available without restriction. For Team Mode players team up either with an AI or with other players. To further improve the gameplay balance, whenever the teammate is an actual person, the whole team now receives stat boosts and great rewards, but these are not available

when AI participates in Team Mode. The Saga Trials have also been remodeled to improve the equality and fairness of the game. They are also open every day, and can be reset by spending in-game coins. The Challenges in Saga Trials only consume energy. Best news is that the system offers 2 free resets each Tuesday. Now the game experience is even more awesome!

The new 1.8.2 update of Haypi Monster: The Lost Tower includes a lot of good optimizations, too. Now there is better special care for the newbies! Beginners will be helped through a Beginner's guide. All players will enjoy access and choice of arrangement of combatant monsters for all PVE scene challenges, PVP, The Saga Trials and Team Mode. There is better motivation force now that the PVP Arena, Magic Shop, Alchemy and Special Synthesis are only available to players who have successfully reached Floor 3. Requirements for monster level-up EXP have been optimized to ensure good balance. Beginner's Guide is not interfered by In-game announcements or Daily Login Reward. The Market in the Magic Shop now has optimized prices for certain items. For players' convenience, an Anti-lock configuration has been added to Settings. It can bypass auto-lock settings and prevent phone screen lock.

Haypi Monster: The Lost Tower 1.8.2 is much smoother now, and avoids client crashes. Passive talents and equipped items such as Combat Jellies or Healing Potions now activate better, as soon as the damage from the opponent meets the conditions. The PVP ranking is now refreshed with improved precision. Text descriptions have been improved, too.

Haypi Monster: The Lost Tower is a free game that offers great time for anyone who has a hero inside of them! This fun EDU game can be downloaded from the AppStore, and offers in-game purchases. Haypi Monster: The Lost Tower 1.8.2 brings joy to players of any age!
