

# Bahamas introduces newest wedding trend; Bridal/ Honeymoon Registry

*Forget Towels and Teacups, Friends and Family Can Now Gift Lifelong Memories*

NASSAU, BAHAMAS, May 19, 2015 /EINPresswire.com/ -- The Islands Of The Bahamas have long been synonymous with destination weddings and dream honeymoons, and with their new dedicated bridal and honeymoon registry they are further cementing this relationship. This new, complimentary Bahamas Wedding and Honeymoon Gift Registry website ([Bahamas.com/Registry](http://Bahamas.com/Registry)) is the

perfect tool to help those planning a destination wedding or honeymoon, and would prefer the gift of lifelong memories over traditional registry gifts many couples do not need today. From snorkeling with sea turtles and thousands of tropical fish to swimming with pigs to private and remote Islands to luxury spas, all surrounded by pristine beaches and cerulean waters, The Bahamas offers everything a new bridal couple could want or need, and the Registry is the easiest way to organize this and make their every dream a reality.

“

Wedding couples are able to list anything they want to do on their honeymoon

*Freda Malcolm, Bahamas Ministry of Tourism*

The new Bahamas Wedding and Honeymoon Gift Registry offers bridal couples the opportunity to register for a free account where they will be able to create a honeymoon or destination wedding registry. The registry will include a ‘Wish List’ of the items and activities for their honeymoon, where

guests, families and friends will purchase portions of their honeymoon as wedding gifts. “Wedding couples are able to list anything they want to do on their honeymoon – contributions to nights at their hotel or resort, sightseeing excursions that can be booked through the concierge, romantic dinners, spa treatments – with The Bahamas the list is endless of what there is to discover.”, said Freda Malcolm, Bahamas Ministry of Tourism Director of Romance.

Additionally, it will provide the opportunity to set up a wedding blog for the brides and grooms, and an online photo album where unlimited photos can be uploaded and printed for wedding guests at no charge. The website is an easy, one-step way of keeping guests in the loop as well. The couple have multiple selections to choose from including: ‘Our Story,’ ‘Our Wedding Blog,’ ‘Photo Albums (engagement party, bachelor/bachelorette parties, bridal showers etc), ‘Ceremony,’ ‘Wedding Events,’ and the important ‘Honeymoon,’ ‘Travel Information to the Resort,’ ‘RSVP,’ and ‘Gift Registry.’ The Bahamas Wedding and Honeymoon Gift Registry includes social media widgets, so that bridal couples will be able to easily upload information on their most used platforms such as Facebook and Twitter – making sharing everything exciting happening for the bridal couple, that much easier. .
