Middle East Oil and Gas Companies Eye Improvement in Data Management and Information Systems

Key stakeholders will meet at the 2nd Annual Data and Information Management in Oil and Gas Conference from 6 - 9 September 2015 in Abu Dhabi, UAE.

ABU DHABI, UNITED ARAB EMIRATES, May 26, 2015 /EINPresswire.com/ -- The 2nd Annual Data and Information Management in Oil and Gas Conference is taking place from 6 - 9 September 2015 in Abu Dhabi, UAE, to help the region's oil and gas companies better utilise the huge proportion of data generated during their operations in order to reduce costs, mitigate risks,

minimise losses, improve safety and enhance decision making.

Key stakeholders will meet at the summit to understand the return on investment of data and information management technologies and learn how to implement efficient applications that improve data integration, visualisation and report generation.

The summit will gather regional decision makers responsible for data management, document control and IT systems to meet with leading data management software providers and consultants in order to discuss strategies, best practices and solutions to existing data management challenges in the sector.

Speakers include:
• Michael Pollock, Head of Data and Information Management, Maersk Oil Qatar
• Hicham Houmane, Technical Data Officer, ZADCO
• Amit Kar, Regional Engineering IM Delivery Team Lead - MENA, Shell
• Geoff Nesbitt, Head of Technology Strategy, Petrofac
• Khalid Al Muzher, STEM VP & Advisor - Engineering, Ma'aden Aluminium
• Fayez Kharbat, Engineering Consultant, Saudi Aramco
• Amal Al Sayari, Data Specialist, GASCO
• Maher Alkhaldi, Software Architect, Saudi Aramco
• Ramesan Rathina Swamy, Information Management Specialist, ADMA-OPCO
• Ali Rebaie, Big Data Consultant & Trainer, Rebaie Analytics Group
• Muhammad Sajith, Head of ICT Infrastructure and Operations, Emirates Aluminium

• …and many more.

The 2nd Annual Data and Information Management in Oil and Gas Conference will take place from 6 - 9 September 2015 in Abu Dhabi, UAE, and will feature a mix of keynote sessions, case studies, technical presentations and high level networking sessions.
