The Center says, "We find it astonishing that Louisiana is not one of the top states in the nation for mesothelioma because there are so many workplaces in New Orleans, Jefferson Parish, Baton Rouge, Kenner, Lake Charles, and Shreveport that have oil refineries. In addition to the refineries there is shipbuilding, and a robust maritime industry.

“

The one thing we offer a diagnosed victim of mesothelioma is instant access to the nation's most experienced mesothelioma lawyers who consistently get the best compensation results for their clients”
