---

WINSTON-SALEM, NC, USA, May 28, 2015 /EINPresswire.com/ -- Winston-Salem, N.C. – Music is a must have in a majority of peoples day to day life. Radio mixes in the morning set the mood for your day. Streaming services fuel your sonic desires. YouTube leads you down the path of musical discovery, continuously suggesting new artists and visuals. Music provides us a soundtrack for our lives.

Most of us come from the same place. And everyone is different. Im just showing who I am”

*Ceaser Loco*

Every once in a while a new artist comes to our attention that excites us and intrigues us. Ceaser Loco fits that bill. With stories of gang related violence, drug dealing and usage, mixed with a positive perception, work hard and play harder attitude, Ceaser Loco's debut EP "BLUElight Party" provides us a soundtrack of his life with a refreshing sound devoid of the common trap delivery.

"BLUElight Party" will be available for download on AudioMack June 6th 2015 and is available on DatPiff now.
