

CLOUD-HOSTED TELECOM PROVIDER, VERSATURE, WINS CANADIAN TELECOM EMPLOYER OF CHOICE AWARD (CTEOC)

Versature brings home Canadian Telecom Employer of Choice award at the 2015 Canadian Telecom Summit in Toronto, Ontario

TORONTO, ON, CANADA, June 2, 2015 /EINPresswire.com/ -- Versature Corp. is proud to receive the Canadian Telecom Employer of Choice (CTEOC) award today at the Canadian Telecom Summit being held in Toronto, Ontario. The Canadian Telecom Summit is the largest and most prestigious gathering of stakeholders in Canadian communications and IT industries.

“We have built an incredible work environment here at Versature and are proud to be recognized among some major players as the employer of choice,” says Paul Emond, CEO of Versature Corp. “Receiving the CTEOC award is a clear signal that not only is Versature disrupting the Canadian telecom industry with our technology but with our culture and talent as well.”

The Canadian Telecom Employer of Choice is a national program dedicated to identifying, recognizing, and promoting the best employers in Canada's telecommunications industry.

“This is the second year for the Canadian Telecommunications Employer of Choice award, and we are very excited for all of the winners. Versature has worked hard to create a great workplace culture and preferred employer brand,” says Jeff Doran, President of CCEOC Inc. “They have demonstrated strong leadership scores, particularly in the areas of communication and employee engagement.”

The rigorous evaluation of companies competing for the CTEOC award includes an in-depth application process, HR inventory, leadership review, and detailed commitment survey completed and submitted directly by employees. Interested readers can find Versature featured in the upcoming Telecom Review North America publication.
