

North Carolina Mesothelioma Victims Center Urges Diagnosed Victims or Their Family To Call Them About How Vital It is to have the Best Lawyers and Doctors for Much Better Results

WASHINGTON, DC, USA, June 19, 2015 /EINPresswire.com/ -- The North Carolina Mesothelioma Victims Center is urging a diagnosed victim in North Carolina, or their family members to call them at 866-714-6466 for on the spot access to the nation's most experienced mesothelioma lawyers, who consistently get the best compensation results for their clients, and very specific information about best possible treatment options.

Why is this all so incredibly important?

The Center says, "We are trying to make a huge difference for a diagnosed victim in North Carolina, or their family by ensuring they really do have instant access to the nation's top mesothelioma lawyers, because there is a direct connection between the skill of the lawyers advancing a mesothelioma compensation claim for a person with this rare cancer, and the resulting financial settlement the victim might receive. As we would like to explain the two are related.

"At the same time we want to make certain the diagnosed victim has on the spot access to the best possible treatment options, and every other resource we can think of. We also want to emphasize our free unsurpassed services focused on the best lawyers for compensation, and the best treatment options are available to a diagnosed victim in any community in North Carolina including Raleigh, Winston-Salem, Charlotte, Greensboro, Fayetteville, Asheville, or Wilmington."

For more information a diagnosed victim in North Carolina, or their family members are urged to call us anytime at 866-714-6466.

For the best possible mesothelioma treatment options in North Carolina the North Carolina Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.

* Duke Cancer Institute Durham, North Carolina:

<http://www.dukecancerinstitute.org/>

* UNC Lineberger Comprehensive Cancer Center Chapel Hill, North Carolina: <https://unclineberger.org/>

* Wake Forest University Baptist Medical Center Comprehensive Cancer Center Winston-Salem, North Carolina: <http://www.wakehealth.edu/Comprehensive-Cancer-Center/>

According to the US Center for Disease Control the average age for a diagnosed victim of mesothelioma is 72 years old. Frequently victims of mesothelioma are initially misdiagnosed with pneumonia. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is attributable to exposure to asbestos.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

High risk work groups for exposure to asbestos in North Carolina include US Navy Veterans, power plant workers, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://NorthCarolina.MesotheliomaVictimsCenter.Com>

The North Carolina Mesothelioma Victims Center says, "Before you hire a mesothelioma attorney please call us at 866-714-6466, and compare the qualifications of who we consider to be the nation's most skilled, and experienced mesothelioma attorneys to any other lawyer, or law firm.

"When it comes to obtaining the best mesothelioma settlement, the quality of the attorney matters, as we would like to explain." <http://NorthCarolina.MesotheliomaVictimsCenter.Com>
