

Splash & Relax Add Lay Z Spa Palm Springs To Best Selling Inflatable Hot Tub Range

Online hot tub and swimming pool retailer Splash & Relax have added the Lay Z Spa Palm Springs inflatable hot tub to its range of inflatable hot tubs.

HOOKWOOD, SURREY, USA, June 5, 2015

/EINPresswire.com/ -- The Lay Z Spa Palm Springs model has been added to the site retailing at £419.99, making it a mid range priced inflatable hot tub compared to others available at Splash & Relax.

The Lay Z Spa Palm Springs model becomes the fifth model available from the range. Splash & Relax already retail the popular Lay Z Spa Vegas, Lay Z Spa Miami, Lay Z Spa Monaco Grey Rigid Portable and Lay Z Spa Monaco Rigid Portable Hot Tub, starting from £299.99.

The new 2015 Palm Springs model offers a wealth of features which include a 3 layer reinforced body, cushioned air mat floor and premium leather look with a mellow colour palette. The model is suitable for 4 - 6 persons and can be used internally or externally.

Splash & Relax say various additions are available for free, alongside the model. These include an inflatable leatheroid cover with easy fastening clips, free DVD, maintenance guide, filter cartridges and chemical floater.

The Lay Z Spa Palms Springs uses it's Lay Z-Massage system, a water purification system and a rapid heating system to deliver hydrotherapy which makes it the UK's best selling inflatable hot tub range.

Splash & Relax currently offer two alternative ranges of inflatable hot tubs online. The Grand Rapids Plug & Play inflatable hot tub by Canadian Spa Company retails at £449.99 and offers total submersion from the neck down with a robust and stylish finish.

Also available is the Intex PureSpa range of inflatable hot tubs, which were added to the company's website in 2014. Available from £549.99, the Bubble, Octagonal and Jet models are available, offering a higher sense of luxury when it comes to inflatable and portable hot tubs or spas in the UK.
