

Heroes March toward Tower of Flames in Haypi Kingdom: The Return of the King 1.0.10

The thrilling mobile game is the brother game of Haypi's super hit Haypi Kingdom. Well, it seems to follow the successful footsteps of its older brother!

SHANGHAI, SHANGHAI, CHINA, June 8, 2015 /EINPresswire.com/ -- The creative developer [Haypi Co., Ltd.](#) has just released a great new update to their MMO hit Haypi Kingdom: [The Return of the King](#). The thrilling mobile game is the brother game of Haypi's super hit Haypi Kingdom. Well, it seems to follow the successful footsteps of its older brother!

More and more fun content keeps the players of Haypi Kingdom: The Return of the King always entertained. This is an amusing game about lords of unknown lands. In patch 1.0.10, there is a whole new PVE scene added to the game. The new scene is called Fire Chasm and contains many challenging levels and a new Trial Tower, named Tower of Flames. Those who can defeat the enemies will be awarded extra for fulfilling the special tasks!

Haypi Kingdom: The Return of the King version 1.0.10

allows players to have complete control over their cities, so they can happily and fully rule over the lands. In the new patch, all cities (apart from the main city) can be abandoned at any time. Besides, players can now relax, knowing that their cities won't turn into someone else's property due to low loyalty. Now Loyalty Boosters can increase the city loyalty. As for upgrading buildings, it is easier now thanks to the newly added functional buttons within the Building Upgrade feature. Players can have quick access to the Shop whenever they lack some resources. What is more, if a certain building's level is a precondition for upgrading another building, the players can conveniently access the former while looking at the upgrade feature of the latter. Concerning Speed-ups of Countdown time, now the balance in the game is improved through optimization of the Instant Finish option. The amount of gold required for Instant Finish now corresponds to the length of remaining countdown time. The newcomers can have more amusing experience now that the game has a better Beginner's Guide with arrow indicators.

More good news for the Haypi [Fans](#)! In the new version of Haypi Kingdom: The Return of the King, players also have better control of troops. The gameplay is optimized and smoothed when it comes to actions such as recalling troops from oases or returning troops from lost cities. Only bullying is not allowed, and to counteract it, simultaneous warfare queues are limited to only five. The battles are even more exciting now that MDEF of all troop types has been raised, and the general performance of troops is not influenced by the insufficiency of crops.

Haypi Kingdom: The Return of the King offers a new thrill. The game is free to download from the AppStore. It can suit anyone who wants to be a hero!
