

Europe's Leading Military Satellite Communications Event, Global MilSatCom returns to London this November

SMi presents Global MilSatCom 2015, taking place on the 3 - 5 November, London, UK

LONDON, ENGLAND, UNITED KINGDOM, June 9, 2015 /EINPresswire.com/ -- SMi are delighted to announce that the highly anticipated 17th annual [Global MilSatCom](#) conference and exhibition will return to London this year on the 3rd - 5th November 2015.

Europe's leading military satellite communications event will bring together over 400 of the industry's key senior military representatives alongside the world's leading SatCom solutions providers and operators to address current and future MilSatCom issues.

The 3-day conference will identify new and emerging technologies to further enhance end user capabilities; SatCom on the Move operations; high throughput satellite capability in the military; continual challenges of cost-efficiency and operational efficiency; national programs, capabilities and requirements and the challenges concerning lower budgets but increasing requirements.
