Attorneys, home inspectors and title companies will also offer discounted rates to local heroes for each of their services, for a savings up to \$5,000.

"The Heroes Home Advantage program is something I feel very passionate about. Growing up I had numerous family members that served in the military. Today I have family members who serve in the police force, as well as others who have become teachers. Their hard work and dedication is something that was a good example growing up and continues to be a source of inspiration today. I am very excited to be a part of this program. It allows me the opportunity to use my skills as a REALTOR to give back to those who have sacrificed so much for their community." Said Todd Schroth, Re/Max Central Realty. "Owning a home is an important step in one's life, and with that comes a sense of pride and joy. I hope to extend this pride and joy to our military, police force, firefighters, first responders, teachers and medical staff."

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country.
