FREEHOLD, NEW JERSEY, UNITED STATES, June 9, 2015
/EINPresswire.com/ -- Press Release: June 9th, 2015 International High-Technologies – IHTC

Topic: LAUNCH OF NEW IHTC WEBSITE

International High-Technologies – IHTC, a renown management consulting and services company in the High-Tech Industry, is proud to announce the official launch of it's new website today. The URL for the new website is the same as before: www.IHTC.us or simply: <http://IHTC.us>

IHTC offers fast, efficient, cost-effective and successful Sales and Business Development services to High-Tech Hardware, Software and Component vendors, as well as High-Tech Service Providers.

Charles Edelman

The new website was developed with the latest web design tools. It is geared to support all recent web browsers and to support all types of video viewing, whether on a PC Monitor, Tablet or Smartphone.

In addition, the new website is brighter and more cheerful, as well as easier to navigate.

Since 1995, IHTC provides International and Global Sales & Business Development Services, Customized Foreign Market

Research and Marketing Strategy Development Services, as well as Foreign Subsidiary Development and Management Services, including Personnel Recruitment and Foreign Direct Investment Services to the High-Tech Industry.

IHTC provides such services and consulting to High-Tech companies that develop Hardware, Software and Components, as well as Service Providers (Telecoms, Cable Operators, SatComs, ISPs) in over 60 countries (including Europe, Africa, Middle-East, Latin America, Asia, Pacific Rim and North America).

IHTC Clients range from start-ups with only a few personnel to vendors and service providers with \$300+ Million in Revenue and 1000+ employees. IHTC has serviced clients headquartered in the USA, UK, Germany, Canada and Israel, and in the following industries:

- Cloud Computing Service Providers
- Fixed & Mobile Telecom, Broadband, LAN/WAN/MAN and Internet Vendors

- Cloud Security, Enterprise Security and Internet Security Vendors
- Component Vendors involved in Source Code, Semiconductors, Blade & Controller Cards
- Enterprise, Middle-ware and Internet Software vendors
- Storage Hardware and Software Vendors
- Government Agencies and NGOs
